

## **Nobel peace prize – nominations requested for 2017**

**The closing date for Quaker nominations is  
2 May 2017.**

As recipients of the Nobel peace prize in 1947, Quakers are now able to make a nomination each year to the Nobel peace prize committee in Oslo. The Oslo committee then makes the decision about who will receive the peace prize, taking all the nominations into account.

Friends in BYM can participate in this process through the QPSW representative to the American Friends Service Committee Nobel peace prize nominating committee.

If you or your Meeting has a suggestion to offer for the 2017 award, please request full details of the criteria and about what you need to do from:

Helen Bradford, 173 Euston Road, London,  
NW1 2BJ
