

Thank you!

for being our MP

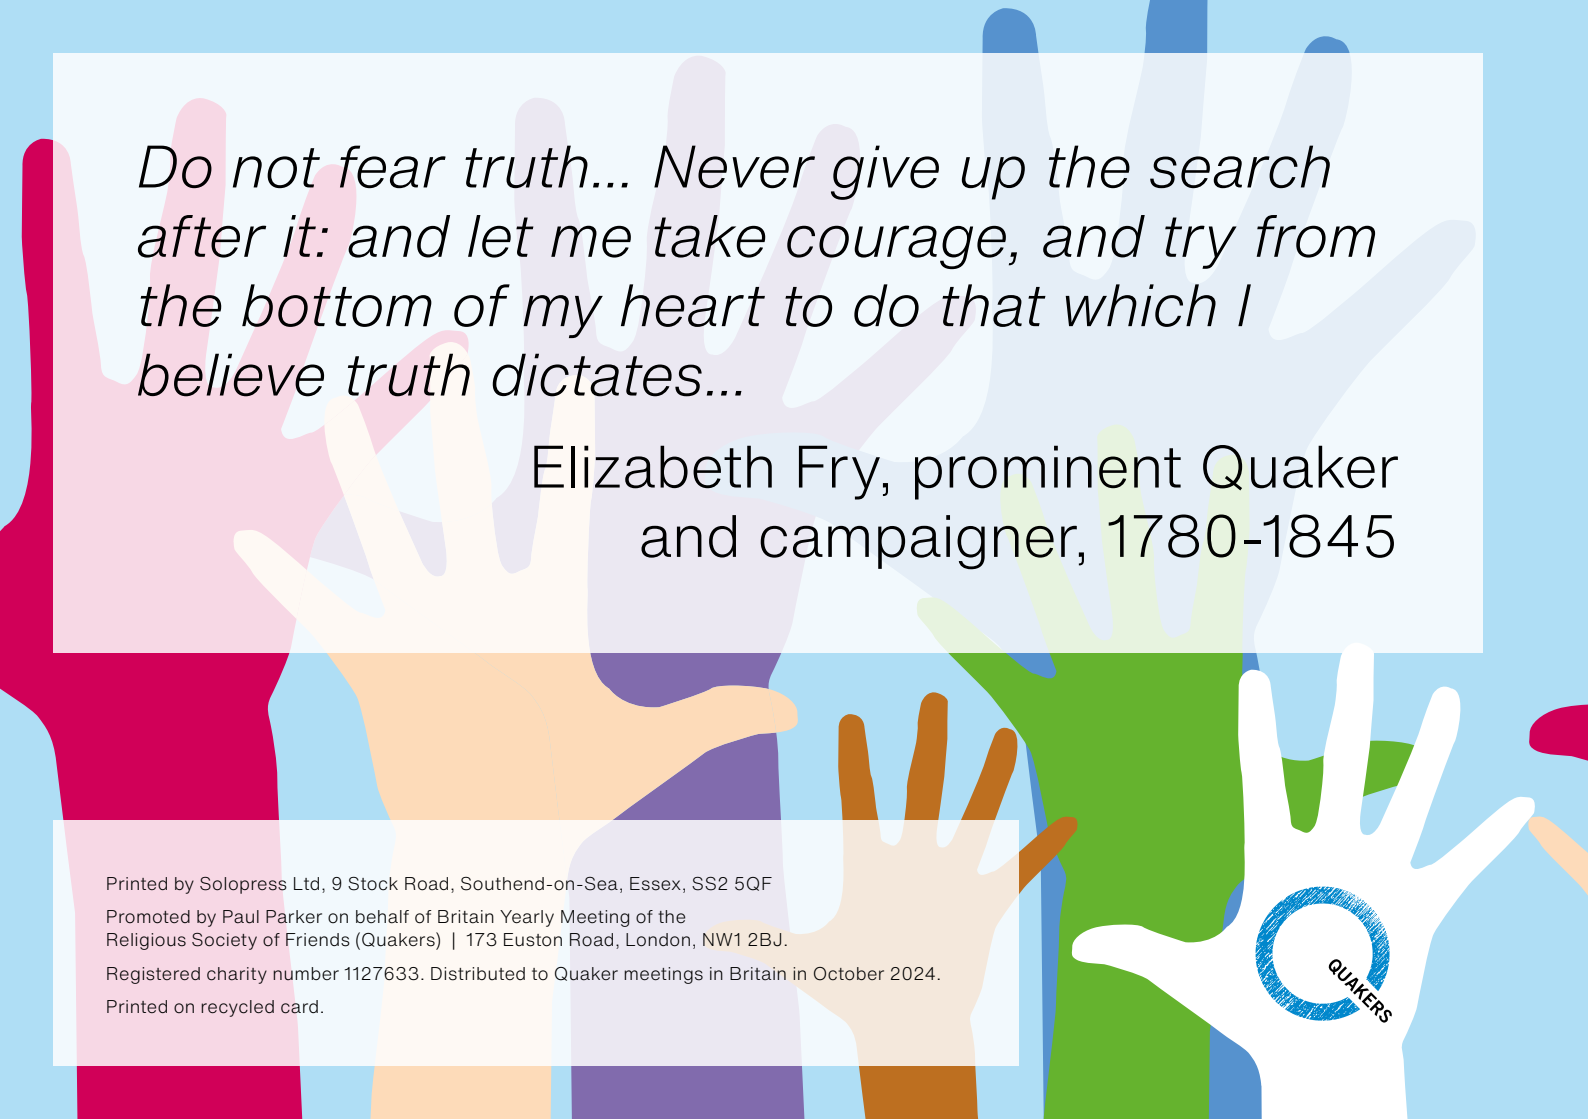

Who are Quakers in Britain?

Quakers in Britain are a faith group committed to peace, equality, truth and sustainability. We are keen to work with MPs from all parties on the following issues:

- **Democracy**
 - strengthen processes and culture in Westminster to promote truth, integrity and equity
 - protect and promote human rights and civil liberties at home and abroad
- **Climate justice**
 - divert government money away from fossil fuels and towards fair and sustainable solutions to the climate and cost-of-living crises
 - make UK-based fossil fuel giants contribute to the international loss and damage fund
- **Peace**
 - use diplomacy to seek an end to the devastating conflicts in Ukraine and in Israel and Gaza, and work towards a just peace
 - redirect government money away from weapons and military and towards the foundations of a safer world, such as climate justice
- **Migration**
 - replace recent migration legislation with a humane, coordinated approach that includes safe and legal routes
 - process people's asylum applications more quickly and fairly, providing adequate accommodation and the right to work.

The background of the entire page is a light blue color. Overlaid on this are several stylized hands of various colors (pink, purple, blue, green, orange, brown, white) reaching upwards from the bottom. The hands are semi-transparent and overlap each other. In the bottom right corner, there is a white hand with a blue circular logo on its palm that says "QUAKERS".

Do not fear truth... Never give up the search after it: and let me take courage, and try from the bottom of my heart to do that which I believe truth dictates...
