WOODBROOKE

Exploring Worship

This event is for 5-11 year olds and will run in two groups (5-7s and 8-11s) with some time spent all together. We'll be in small groups having big fun as we build dens, play games, watch film clips, hear stories and listen to music. We'll look and wonder together about:

What is God? What is worship?

Where is God? What is in your worship kit?

What is a Quaker? What is a spiritual warrior?

We'll think about what we want to tell other people in our Quaker Meetings about the weekend and how we can do that in exciting and interesting ways.

Programme times

The weekend begins on Friday 5 July with arrivals from 4pm. The evening meal is from 5.30 – 7pm with the first session at 7:30pm. The weekend ends on Sunday 7 July after lunch at 1pm.

Cost

This weekend includes accommodation; all meals from supper on the Friday evening through to lunch on Sunday; and covers (optional) participation in an adult programme at Woodbrooke that weekend.

The cost is:

£135 for each adult

£35 for each child aged 5-11

All children attending must be accompanied by an adult who will be responsible for them at the weekend. Some adults may want to participate in:

Being a Quaker Parent

This is an opportunity for parents, carers and families to explore together the blessings and challenges of being part of a Quaker meeting and living out our faith and values in our homes and in the world.
