### Why come?

Junior Yearly Meeting (JYM) is a great event full of community activities and loaded with opportunities to explore new perspectives and ideas. It's a chance for you to have fun and make new friends.

"JYM was a unique opportunity for young Quakers to reflect on our beliefs. It has really opened my eyes"

This year JYM happens separately to Yearly Meeting the event for Quakers of all ages but will link to the issues being considered there. JYM will write a minute which contributes to the discernment of the Yearly Meeting in May.

"Although I have been going to meeting all my life, I wasn't entirely sure of my Quakerism until now as I have never had the opportunity to speak to other Friends my own age, but now I see my Quakerism in a new way."

### Who can come?

Anyone aged 15 to 18 (born between 1 September 2004 and 31 August 2007).

### How is it run?

The event is planned and facilitated by a group of young people, working with adult team members.

"JYM was fantastic, it brought me so much joy and personal growth. There are few places I have been where truly everyone is accepted and included, and JYM is one of them. It's a haven for young people to engage in discussions and grow on a personal level"
