If **yes**, please state: - your DBS certificate number \_\_\_\_\_

If you have not got such a disclosure or it requires renewing (if it is more than 3 years old) we will send you guidance on applying for a disclosure and you need to do this in advance of the event.

## DBS Update service

This is an online service that allows your records to be checked by you, your employer or whoever you authorise to. If you are not sure whether you have joined this or not, you can find out at:

[www.gov.uk/dbs-update-service](http://www.gov.uk/dbs-update-service).

If you have joined this, do you give BYM permission to access the update service to see your records? **Yes**  **No**

We may need to see your original DBS certificate.

Allowing BYM to use the DBS Update Service will mean that you are unlikely to need to obtain a new DBS check.
