Alex Hibbert, Polar Explorer

Alex Hibbert is the world record-holding polar traveller who has skied further on an unsupported Arctic journey than anyone in history.

In July 2008, Alex completed his 1374-mile, 113-day 'Long Haul' return crossing of a new ice sheet route along with team-mate George Bullard. They received no resupplies or physical support and completed the final week on almost no food.

Alex has been described as 'ground-breaking' by Sir Ranulph Fiennes, 'passionate... and fascinating' by Wanderlust magazine and his strong writing style has attracted both accolades and debate.

John Willis, Power2Inspire

Born without fully formed arms and legs, life has not stopped John. Following a law degree at Cambridge University, John became a solicitor and practised as a litigator for 12 years. Subsequent moves included redeveloping the village of Papworth Everard, assisting a mental health social enterprise to leave the NHS, chairing the board of award-winning social enterprise Provide CIC and establishing a consultancy business. John was inspired through an able-bodied triathlon to promote sport for everyone and set up Power2inspire three years ago. John engages with his audiences – of young and old alike – with tales of his challenges, his experiences of a life with a disability and how to overcome barriers.

The Sons of Pitches

The Sons of Pitches are one of the premiere vocal groups currently working in the UK. With soaring vocals, stellar set pieces and mind-bending improvised numbers they are taking the world of entertainment by storm and it's all without instruments. They have won multiple awards in the world of A Cappella music and their videos have had over three million views on their YouTube channel. The group first came to the public's attention in November 2015 when they became the winners of BBC2's 'The Naked Choir' hosted by Gareth Malone. This gave 'SoP' the opportunity to take the plunge into making a career out of their unique brand of performance.

Bands@Millfields

Millfields Community School is a large primary school in Hackney, London, who were part of the Ashoka Changemaker Incubator, held at Sidcot in November 2018. They will be bringing their jazz and rock bands to perform.
